About

Graphic designer with experience developing brand identities, visual communication materials, and digital content through freelance and collaborative projects. Skilled in Adobe Creative Suite, HTML/CSS, and UI/UX, with an interest in creating thoughtful, accessible, and engaging visual experiences.

Design Experience

Content Lab Co-President

Vermont State University - Castleton // August 2024 - May 2025

- Collaborated with clients and fellow designers to develop branding, advertising, and visual communication materials tailored to project goals.
- Led creative projects from concept to completion, coordinating timelines, production workflows, and collaboration between team members
- Developed brand identities and visual campaigns for organizations and university initiatives, maintaining consistency across design deliverables.

Relevant Project(s)

- Friends of Castleton Parks and Recreation
- VTSU Student Voter Drive 2024
- Content Lab Promotional Material

Freelancer, VTSU Wellness Center

Vermont State University // August 2024 - Decemeber 2024

- Developed a cohesive visual identity for the VTSU Wellness Center, creating logos, color palettes, and typography to establish a consistent brand.
- Created comprehensive brand guidelines outlining logo usage, color standards, and visual consistency across design applications.
- Producded digital design assets and branding materials for the Wellness Center, supporting its visual identity across campuses.

Relevant Project(s)

- Vermont State University Wellness Center

Recent Employment

Line Cook, The Rest Stop

South Hero, VT // Seasonal, May 2023 - October 2026

- Collaborated with kitchen staff to fulfill customer orders efficiently and accurately in a fast-paced environment.
- Coordinated food preparation and organized kitchen operations to maintain workflow during busy service periods.
- Maintained food safety standards, cleanliness, and organization while supporting consistent service quality.
